## OBERFIELDS HARDSCAPER EVENTS

# 2018

## CERTIFIED TRAINING EVENTS

### ICPI CERTIFIED CONCRETE PAVER INSTALLER COURSE (ICPI)

**FEBRUARY 6TH & 7TH, 2018 (2 DAYS)**  
8AM-5PM  
**Quest Conference Center**  
8405 Pulsar Place  
Columbus, OH 43240

This two-day classroom course is designed to enhance the knowledge of individuals with at least one year's experience in the construction of interlocking concrete pavements. The registration fees include a student manual and an exam. Those who attend the course and pass the exam receive a Record of Completion for the course. Attendance at this course is one of the requirements for earning a Concrete Paver Installation Certification.

The ICPI Concrete Paver Installer Course has been designed for all individuals involved in the residential and commercial installation of interlocking concrete pavements, including company owners, job superintendents, foremen and supervisors, crew leaders and crew members (with a minimum one-year installation experience).

### NCMA SRW INSTALLER EDUCATION PROGRAM LEVEL 1

**FEBRUARY 8TH, 2018**  
8AM-5PM  
**Quest Conference Center**  
8405 Pulsar Place  
Columbus, OH 43240

Learn how to build segmental retaining walls (SRW's) that perform well over time! This program teaches hardscape contractors and installers essential concepts related to the design, construction, and performance, of SRW's providing the knowledge you need to install quality walls that meet customer expectations and ensure your long-term success. A highly experienced NCMA SRW Trainer will explain SRW installation guidelines, materials (including SRW units and geosynthetics), soils, compaction and water, planning and equipment selection.

Each candidate who completes this course and passes the written exam earns the Certified SRW Installer (CSRWI) credential, which is highly valued by consumers and will help differentiate you from your competition.

Those taking the Level 1 Certification Exam must come prepared with a work history of 5 installed jobs and 2,500 sq. ft. of installation history to complete application.

### CERTIFIED INSTALLER LIST POLICY

In an effort to provide our retail customers with qualified, knowledgeable, certified installers; and promote industry installation standards, Oberfields will have a CERTIFIED INSTALLER LIST moving into Spring 2018. This will apply to our direct sales areas only.

This online list, which will be available on oberfields.com, will allow us to provide an online referral to those companies that have shown a proven knowledge on the basics of paver and retaining wall construction and installation.

In order for a company to be on our CERTIFIED INSTALLER LIST, they will have to complete the following:

- Have at least one individual from your company be ICPI Certified. For those that are not certified, we will be hosting an ICPI Certified Concrete Paver Installer Course on February 6 & 7, 2018. If already certified, you must be able to provide confirmation of your certification from ICPI.
- Have at least one individual from your company be NCMA SRW Level 1 Installer Certified. For those that are not certified, we will be hosting a NCMA SRW Installer Education Program Level 1 on February 8, 2018. If already certified, you must be able to provide confirmation of your certification from NCMA.
- Be in good financial standing with Oberfields on monies owed.
- Show a sense of loyalty to Oberfields.
