**SEE THE DIFFERENCE.  
FEEL THE DIFFERENCE.  
DESIGN TO BE DIFFERENT.**

Dura Denz represents a dramatic breakthrough in concrete casting technology. Our new world-class manufacturing process results in exceptional products that are infused with Dura Denz Technology. A specially formulated dense top layer creates a smooth, extra-hard surface that resists chipping, scratching and fading. The result is products that are not only beautiful, but extremely durable. Exceed your clients expectations when you feature products manufactured with Dura Denz Technology. Quite frankly, it's unlike anything you'll find on the market.
