

# OZARK®

---

Reminiscent of a mountainous region, our Ozark pavers feature earth tone colors blends and a slight slate top texture to add depth of color. This three-piece system gives visual interest to the space with a combination of square units alongside small and large rectangles.

## ENHANCED BY

Dura-Denz represents a dramatic break-through in concrete casting technology. Our new process results in a paver that is not only beautiful, but extremely durable. A specially formulated dense top layer creates a smooth, aggregate-free, extra-hard surface that resists chipping, scratching, and fading.
