

# MANHATTAN®

---

Smooth and modern, our Manhattan pavers consist of a three-piece system that mimics the industrial skyline of Manhattan. Either installation pattern accounts for various joints that give way to a smooth, clean appearance.

## ENHANCED BY

Dura-Denz represents a dramatic break-through in concrete casting technology. Our new process results in a paver that is not only beautiful, but extremely durable. A specially formulated dense top layer creates a smooth, aggregate-free, extra-hard surface that resists chipping, scratching, and fading.
