# Living Our Values

At Berlin Gardens, our first goal is to bring honor and glory to our creator God in everything we do. We do this by manufacturing the highest quality products, delivering our products on time and going beyond your expectations with our customer service.

All of this starts by living by our Core Values of honesty, efficiency, attitude, respect and trust. We not only say this, but we believe it.

We hope our products help you *take life outdoors™*.

- The Yoder Family

## The Berlin Gardens Difference

### **OUR PROCESS**

Located in Ohio's Amish country, Berlin Gardens pairs advanced machinery with traditional methods and skills handed down through generations.

### **SERVICE**

Making the customer happy isn't just something else we do – it's the foundation upon which everything else is built.

### **QUALITY**

To us, quality means consistency. To the customer, this means holes line up for easy assembly, all components are hand-routed for exceptional smoothness and little details are not missed.

### **LEAD TIME**

Our lead time is typically shorter than most of our competitors. Even during peak season, we deliver in a timely manner.

### **DESIGN**

From hidden fasteners to sleeker-lined chairs, we're constantly improving our design.

The Best Furniture Uses the Best Materials

## POLY'TUF™

### WHY PICK POLY?

Berlin Gardens uses only the highest grade of poly lumber, also known as polyethylene or HDPE.

Our premium poly offers:

- Smooth feel
- Dense material that's more durable
- No cracking, splitting or bacterial growth
- Virtually no maintenance
- No affects from salt spray for seaside living
- Color that goes through the material (*not a coating*) that's UV stabilized and resists fading

This product is made with **PolyTuf™** Recycled Plastic Lumber manufactured by Tangent, which is third-party certified by GreenCircle Certified for Recycled Content. [www.tangentusa.com/GCC](http://www.tangentusa.com/GCC)

### FASTENERS

Our fasteners are chrome-plated stainless steel. Used widely in the salt-water marine industry, these fasteners resist corrosion better than typical grades of stainless steel.

### COATED PROTECTION

We have minimal visible aluminum components on our furniture. Those that are visible are powder-coated to increase both beauty and durability.

### DURABILITY

We use welded aluminum frames under tabletops, heat-bended curved components and thicker material for support pieces. New products undergo extensive strength testing to ensure the strongest, longest-lasting furniture possible.

Sorting ensures that only the highest quality plastics continue through the recycling process.

Every milk bottle is ground, washed, melted and cooled to produce purified plastic pellets, which are tested to maintain the highest quality control standards.

The pellets move to a plastic extruder at Tangent where they are remelted and shaped into precision-cut plastic lumber.

### **POLY'TUF™**

PolyTuf is the trademarked name for the recycled plastic lumber manufactured by Tangent for Berlin Gardens.

#### **POLY FURNITURE RECYCLED CONTENT COMMITMENT**

Have you ever wondered how Berlin Gardens poly furniture is made? Many of our customers are unaware that our furniture consists of *95 percent recycled content*, with the majority coming from post-consumer milk bottles collected in community recycling programs. This is an overview of how a milk bottle is recycled and given new life as an Adirondack chair, which will last a lifetime.

# Finishes

Poly furniture is made from high-density polyethylene (HDPE), a recyclable plastic that never needs to be painted or stained. It will not rot or splinter, and it contains an added UV protective agent to resist fading. Poly furniture is not affected by most corrosive substances, and will not promote bacterial growth.

To maintain the beauty of your furniture, use Berlin Gardens cleaners or clean regularly with nonabrasive soap and water. While most colors need to be cleaned a few times per year, certain colors such as white (but not limited to this color) need to be cleaned more frequently in order to maintain the original beauty. In extreme situations, and with colors such as white, spray the furniture thoroughly with a nonabrasive cleaner then scrub the furniture using a soft bristle brush and rinse off with warm, clean water. If needed, spray the furniture with nonabrasive cleaner and wash it using a high-pressure washer. Do not place the tip of your pressure washer closer than 8"-12" from the furniture or it will tear into the material.

Do not place flower pots or any items on furniture that will leave stains. Do not place hot items directly onto furniture to avoid melting.

All fasteners on furniture manufactured by Berlin Gardens are stainless steel with most fasteners being chrome-plated stainless steel. Chrome-plated stainless steel is one of the most corrosive-resistant fasteners on the market. However, in extreme conditions such as coastal areas, while chrome-plated stainless steel will be less likely to rust, it is still recommended to regularly rinse it with fresh water to ensure the longevity of your furniture and fasteners.

If properly cared for, you will be able to relax in your fine piece of poly furniture for many years!

# WARRANTY

## HIGH DENSITY POLYETHYLENE (HDPE) OUTDOOR FURNITURE

TWENTY (20) YEAR LIMITED WARRANTY (RESIDENTIAL)  
FIVE (5) YEAR LIMITED WARRANTY (COMMERCIAL)

Berlin Gardens, LLC ("Berlin Gardens") warrants to the original purchaser that its HDPE outdoor furniture products will be free of original defects in workmanship and materials for a period of **twenty (20) years** of residential use or **five (5) years** of commercial use after the purchase date unless otherwise noted in the warranty. The warranty is effective starting on the date of purchase. At its option, Berlin Gardens will repair or replace this product without charge for materials and labor, providing our inspection indicates that an original defect exists. Should Berlin Gardens choose to replace the product, and the product is no longer available at the time warranty service is required, a substitution of similar performance and equal or greater value will be made. Polyethylene is a synthetic product and may scratch, will fade slightly when exposed to sunlight, or will stain after prolonged contact with other substances. Some expansion and contraction is to be expected during changes in humidity and temperature. The foregoing shall not be considered defects in materials or workmanship and are not covered under this warranty. Stainless steel fasteners are warranted not to fail structurally for the applicable warranty period. Stainless steel may rust in certain conditions (such as coastal areas) if not maintained. This warranty does not cover rusting fasteners or structural failure due to rusting fasteners, damage caused by unauthorized service or repair, alteration of this product, **abuse or misuse**, normal wear and tear on materials, or any attempt to use the product in a manner or for a purpose other than for which it is customarily intended. This warranty also does not cover scratching or chipping of polyethylene; however, this warranty shall not limit any warranties made by the manufacturer for such items, which such manufacturer warranties may extend to you.

**Folding Chairs and Folding Accessories** are warranted to be free of original defects in workmanship and material for a period of **ten (10) years** of residential use or **two (2) years** of commercial use after the purchase date.

**Berlin Gardens makes no warranties other than those which are specifically described herein. Berlin Gardens makes no implied warranty of merchantability or implied warranty of fitness for a particular purpose.**

Some states do not allow limitations of implied warranty so this limitation may not apply to you. In that event, any such implied warranty is limited to that required by law. Berlin Gardens shall not be liable for incidental or consequential damages, including, but not limited to, lost profits or other economic or commercial losses. The sole remedy provided in this warranty is repair or replacement of this product. Any cost of shipping and handling shall be paid by you. Claims for original defects in workmanship or materials shall be made in writing to Berlin Gardens no later than ten (10) days after the expiration of the warranty period at the following address:
