

EDINGTON

RAISED

Flower Bed

Outside Dimensions

43 1/2" Wide
91" Long
12" High

Inside Dimensions

28" Wide
75" Long
12" High

Create interest with an Edington Raised Flower Bed. Easy to install, our Flower Bed installs on a 4" compacted, crushed gravel base, and simply stacks with adhesive between layers. The Raised Flower Bed as shown requires no cutting.

In-fill requirement would be 15 cubic feet (5-3cf bags) of compost or other high-quality planting soil.

Basic Flower Bed can be made higher, longer, wider or multi-tiered to meet individual needs.

FLOWER BED COMPONENTS

- 60 Edington Wall Stone Units
- 3 10 oz. Tubes of Paver Bond
