Castia Stone tiles come in a standard size of 12x18. Color options vary by manufacturer. Finishes available are Flame Cut, Slate, Flat, Random Chiseled and Classic Chiseled.

Castia Stone has a large selection of window and door trim moldings. Molding #1 and Molding #3 are classical in profile while Molding #2 is most often used in more rectilinear designs. Window sills, cornices, base stones and plinth ends are also options to add finishing touches.

Castia Stone provides a wide selection of accessories designed to reflect old-world elegance. Create a custom look by choosing from an array of items: quoins, corbels, cornices, address block, vents, bases, lighting blocks, fluted columns, wall caps and keystones.
