

H2O PRO[®]

Being green is easy with our line of eco-friendly permeable pavers. All our permeable pavers feature large joints that allow for excellent water drainage. H2O Pro pavers are ideal for heavy traffic commercial applications. The system can be mechanically installed.

H2O Pro pavers are special order products.

PACKAGING INFO

PRODUCT	SF PER LAYER	LAYERS PER CUBE	WT PER CUBE	SF PER CUBE	COLORS STOCKED
H2O Pro® A	11	8	3395	88	Non-Stock
H2O Pro® B	13.2	8	4070	105.60	Non-Stock
H2O Pro® C	13.2	8	4120	105.60	Non-Stock

H2O Pro-A palletized to accommodate mechanical equipment for machine laid applications.

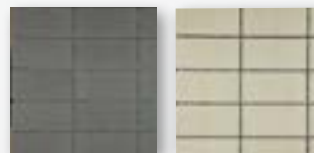

Note: Due to variations in printing, color selections should always be chosen from actual product samples. Textured pavers require a buffer between the plate compactor and paver surface to prevent scuffing.
