

SPEC-FINISH®

The Cost-Effective High-Performance Coated Masonry Wall System

The Perfect Solution for settings where a smooth, durable and easily cleaned wall surface is required.

Great for Rooms with Strict Sanitary Requirements

- Pharmaceutical clean rooms
- Food processing plants or preparation areas
- Research/biosafety labs
- Veterinary Facilities
- Vivariums
- Hospitals

Great for High Traffic Public Facilities

- Stadiums and arenas
- Schools
- Dormitories
- Lavatories
- Gymnasiums
- Indoor Swimming Pool Facilities

SPEC-FINISH®

SPEC-FINISH® combines special smooth textured block from CPG with high performance coatings from Tnemec

Spec-Finish® is an economical, water and chemical resistant coated wall system that is durable and easily cleaned.

FEATURES:

- SPEC-FINISH® Block is made with a pre-conditioner and special mix design to produce a tight and smooth finish texture, reducing the amount of block filler coats required.
- SPEC-FINISH® complies with ASTM C90
- Value engineered alternative to tile and glazed block
- Excellent specifiable performance -- four performance levels available
- National availability via CPG member companies.
- Provides an impermeable surface over the entire CMU wall, including mortar joint protection
- Easily cleaned and maintained
- Customized colors to meet your project requirements
- Low VOC and low odor
- Contributes to earning LEED credits: MR Credits 4.1 and 4.2; Recycled Content and IEQ Credit 4.2 Paints and Coatings

Tnemec Coatings are available in a wide variety of colors

Spec-Finish block (uncoated)

The special smooth and dense surface texture of Spec-Finish Block saves money by requiring fewer filler coats

Spec-Finish Level III vs. Coated Regular Block

The combination of high performance coatings and Spec-Finish block provides a pin-hole free, easily cleaned, durable smooth surface

SPEC-FINISH® System Levels

FOUR CHEMICAL-RESISTANT, HIGH-PERFORMANCE FINISH LEVELS TO MEET A VARIETY OF AESTHETIC AND PERFORMANCE REQUIREMENTS

Standard Block Finish (Level I)

Cost-Effective for Lighter Duty Applications

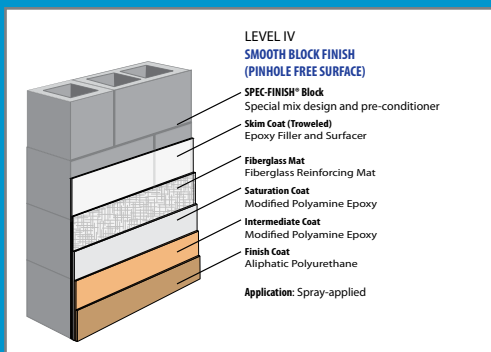

Orange Peel Block Finish (Level II)

Pin-Hole Free Surface for greater cleanability

Smooth Block Finish (Level III)

Pin-Hole Free Surface with Smooth Finish

Smooth Block Finish (Level IV)

Pin-Hole Free Surface with Minimal Joint Appearance and Highly Durable Fiberglass Reinforcement

Note: For specific coatings product series recommendations based on desired performance, gloss level, finish texture, and compliance with local air quality regulations, contact your Temec representative by calling 1-800-TNEMEC1 or visiting www.temec.com/company/contact.

Nationwide Availability

The Concrete Products Group LLC (CPG) consists of regional market leaders in the concrete products industry. The CPG is organized to provide consistent, top-quality products to regional and national customers. Our products are produced with consistent specifications and production expertise.
