Build a fire pit in no time with our Edington Fire Pit Kit. Place base units on 4-6 of prepared compacted base and adhere units as you construct. Great for small fires, roasting marshmallows and hot dogs.

The Belvedere Fire Pit creates a rustic sophistication all its own. The fire pit blends seamlessly with the entire collection of attractive Rosetta® paver and wall lines. With big, bold blocks that mirror snapped limestone, the Kodah Fire Pit Kit creates a modern, square fire pit that doesn’t feel cold.
